

This pocket reference Preferred Drug Listing is an abbreviated version of the Envision Pharmaceutical Services Preferred Drug List. This member guide indicates medications eligible for coverage by your health carrier. Please present this to medical staff wherever you need health care.

The drug list is a dynamic document that changes in response to new clinical data and the availability of new pharmaceutical products. This list is not all inclusive, nor does inclusion here guarantee coverage in all cases. Please visit www.envisionrx.com for a complete formulary list.

Questions should be directed to the Member Services Help Desk at (800) 361-4542 or visit our website at www.envisionrx.com
